25X1A9A In particular, the panel discussion on Non-Official Cover, chaired by Mr. [REDACTED] was stimulating and thought provoking. An EUR officer who had served abroad under [REDACTED] cover, participated in this panel. 25X1C4D

25X1A8A The presentations by EUR Branch Chiefs, especially the [REDACTED], were very effective since they focused on current operational problems.

4. COMMENTS

The course was sound and achieved its objectives. The student critiques reflected a more favorable reception this time compared to the critiques of the three previous courses. (See Attachment C, Student Critiques).

25X1A9A Mr. [REDACTED] participated in several seminars. In addition, all of the presentations during the first week were audited by either Mr. [REDACTED] Chief, Operations/EUR, or by Mr. [REDACTED] DC/EUR. The interest in the course expressed by the Command Echelon of the Europe Division was reflected in enthusiasm and active participation on the part of the students.

The next running of the course, No. 2-70, has been scheduled for 2 - 20 March 1970.

The first week of the course was held in Room 1A-07, Headquarters Building. This permitted more extensive auditing of the course by personnel of Europe Division than at 1000 N. Glebe Road. Future courses should be scheduled to permit the first week of the course to be held in the Headquarters Building.
